

T.E.A.C.H. Guidelines

TUITION:

- Tuition is paid to each teacher on the first class period of the month.
- A \$10 late fee will be charged if the payment is not received at the beginning of class.
- It is important for our teachers to teach and not be distracted with collecting payments.
- If paying in cash, please have the exact amount.
- The use of automatic bill pay through your bank is an option
- Tuition reminders will be updated through Remind 101.

2. BEHAVIOR AND DRESS CODE

DRESS CODE:

- Shorts & dresses must be knee length
- No cleavage or midriffs showing
- No public display of affection (PDA)

BEHAVIOR:

Students are expected to complete homework on time and be respectful. No foul language, excessive class interruptions, or other inappropriate behavior are allowed. Should a student persist in any inappropriate behavior and/or not turning in homework, the teacher will arrange a conference with the parents. Afterwards, however, if the behavior continues, the teacher reserves the right to expel that student from class.

Bullying is unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

Types of Bullying

Verbal bullying is saying or writing mean things:

- Teasing
- Name-calling
- Inappropriate sexual comments
- Taunting
- Threatening to cause harm

Social bullying involves hurting someone's reputation or relationships:

- Leaving someone out on purpose
- Telling other children not to be friends with someone
- Spreading rumors about someone
- Embarrassing someone in public

T.E.A.C.H. Guidelines

Physical bullying involves hurting a person's body or possessions:

- Hitting/kicking/pinching
- Spitting
- Tripping/pushing
- Taking or breaking someone's things
- Making mean or rude hand gestures

Bullying Policy: If a student accuses another student of bullying, that student **must put the accusation in writing**. This statement must include what happened, where it happened and the times/dates on which it happened. Then it should be given to the student's teacher or to Mrs. White. Once the teacher receives the statement he/she will contact the parents of both students to arrange a conference. All parties **must** attend the conference. If the accusation proves true, then the bully will be expelled from T.E.A.C.H. If the accusation proves false, the accuser will be expelled.

RESTRICTED BUILDING AREAS FOR STUDENTS:

- Students are to remain in the wing where classes are held.
- Students are not allowed in the sanctuary, upstairs, office area or children's wing unless escorted there by a teacher or parent.
- Students must be in either their classroom or enrolled into paid study hall.

T.E.A.C.H. Guidelines

TARDY:

- Students should arrive on time for class.
- When a student is late, he will not only miss part of the lesson, but will also disrupt the class.
- If student will be tardy, please call or text teacher before class.

ABSENCES:

- Call or text the teacher before class, if student will be absent. If you forget to contact the teacher before class, please do so as soon as possible.
- Since T.E.A.C.H. classes are only one or two days a week, we discourage planned absences because the student misses too many lessons with accompanying homework.
- If, however, you do vacation during the school year, please contact your teachers well in advance to arrange make up lessons and homework.
- If you are running a fever, please stay home.

MAKE-UP CLASSES:

- No charge for absences due to illness or funerals.
- For all other absences, there is a \$25/hour charge.
- Make up classes for a student's absences are at the discretion of each teacher.

BAD WEATHER DAYS/CANCELLATIONS:

- No classes when CISD cancels; CISD delayed starts are at the discretion of teachers for 8:00 classes.

4. GRADES AND ADMINISTRATION

THINKWAVE:

- T.E.A.C.H. classes will use ThinkWave to post grades and homework assignments. You will receive an email invitation to create an account.
- Please check ThinkWave weekly to stay updated on your student's progress and assignments.

PRINTING PROBLEMS:

Classes may require the student to print out homework. Ensure that your printer is functional for your student:

- ✓ ink and paper available
- ✓ in working order

If your printer is nonfunctional, the student is required to write homework by hand or print homework out elsewhere (before class).

Do not wait until just before you leave for class to print out homework. If you have printer problems, then you will not have homework to turn in.

If your printer is broken, arrange with a friend or family member while you resolve your printer issues. The public library is also an option.

Keep extra paper and an extra ink cartridge available to avoid problems.
