Classes held on **Thursdays 2:30-4:00pm** @ Nolan River Road Baptist Church

Elementary Art Mediums will cover several different types of art over the course of the school year. We will explore drawing, painting, including acrylic and watercolor. We will also discover how colors work and the methods of mixing them to make them work differently. This is NOT an arts and crafts class, although we may do some projects that are craft related. With the supply fee (see below), the teacher will purchase all the supplies for the year.

Due at registration:

\$100 annual supply fee

\$55 registration fee (this covers August & December tuition)

Monthly tuition: \$55 due on the first Thursday of the month
